

Team YANTSU Newsletter

October 17, 2012

Synopsis

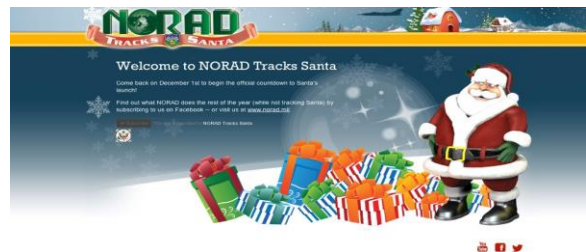

The planning for the 2012 tracking season is on schedule and doing very well. With the release of the 2012 NORAD Tracks Santa Splash Page, Team YANTSU is prepared to see a recap video very soon from NORAD on their YouTube channel. With one trailer completed, many more videos are in the process of being made with the rest of October and November. There still has not been an October meeting, so this Saturday, October 20, there will be a meeting on Skype for all Team YANTSU members. If you are a member of our fan community, continue your support. To all Canadians, we hope you had an awesome Thanksgiving. Thanks for all of your support in our team, our website, and our social media. All YANTSU members contact Ganon136 if you cannot attend the Saturday meeting and we will send you the pertinent information in a meeting summary. If anyone wants us to cover a topic, please send a message to Ganon136 or Elezb101 so we can add that to our meeting agenda.

The “Member of the Week” section will start in the November 1, 2012 Newsletter and will continue through the holidays. All YANTSU members, try to send me an up-to-date picture of you so we have some different pictures from last year. If you have any questions about this, send them to Ganon136@yahoo.com.

Stay up-to-date with NORAD information as well as Team YANTSU by frequently visiting <http://trackingsanta.weebly.com/> throughout the rest of the year as we approach Christmas.

December 24

December 24 is now officially 67 days away as of today: October 17, 2012. We have plenty of work still left to do with scripting, video productions, planning, and keeping our social media on track. Keep working hard because we have just over two months left to go until we track with NORAD once again.

Keep going,
Patric/Ganon136
Head of Team YANTSU 2011-2012
