

Team YANTSU Newsletter

December 18, 2012

Synopsis

As Team YANTSU polishes off all of its final details in preparation for their annual live stream, we would like to stop and wish you a Merry Christmas and a happy New Year. This issue will be relatively short due to the lack of information needed to be given. We hope you can join us for our show this December 24 because of the amount of hours we have amassed this year just to prepare for this wonderful time of year. Thanks for all your support of this newsletter and make sure to catch the last issue of the 2012 Tracking Season this Friday, December 21, just in time for the holidays.

What To Look For

- December 21 Meeting Agenda
- Important Messages on Social Media and YouTube
- NORAD Tracks Santa posts on their Facebook page

To all Team YANTSU members, you are required to attend the December 21 and 23 meetings unless you have special planning that you have informed Patric about at least one day in advance. If you do not attend, you cannot participate in hourly updates during the 4th Annual TrackingSanta Live Show. Make plans to attend and plan your dress attire according to the information given at the meetings.

Thanks,
Patric/Ganon136
