## November 26, 2012

### Synopsis

Team YANTSU is pushing ahead of schedule just slightly now as it begins to catch up on us. The team will be preparing for the next four weeks as the show keeps getting closer. If you track Santa with us, it wouldn't hurt to send our members a simple Thank You message to boost their morale. Some people have already begun to decorate their houses for the holidays including our Team YANTSU members. Once December 1<sup>st</sup> gets here, the team will be working super hard to bring you the top updates on the NORAD Tracks Santa website and all of their social media plus apps. We encourage all Team YANTSU members to come through and post updates about the website on our social media and our main website on that day. Also don't forget about your December 8, 2012 meeting from 3-4PM EST. This meeting is our final planning meeting and the ones following are just going to be for review and preparations. Thanks to all of you for your hard work and dedication. Merchandise is now up for grabs at <http://www.itrackedSanta.com/> if you want to buy a piece of NORAD Tracks Santa history. If anyone wants us to cover a topic, please send a message to Ganon136 or Elezb101 so we can add that to our next meeting agenda.
