Member of the Week

Once again we were busy and we are sorry, but here are two weeks of members for you... Our Members of the Week are Jason Strait and Luke Hurd! Jason is an active YouTube member and heavy advertiser for the activities of Team YANTSU and making sure everyone is updated on that. He will be hosting the Pre-show this year on December 23 at 8PM EST only on Ustream, so come watch him! Luke Hurd is also a big promoter of Team YANTSU and helped in 2012 even though he was not even a member. He has a lot of dedication and can't wait to see you guys at the show this year. Thanks you two for your continued support!

December 24

December 24 is now officially 23 days away as of today: November 30, 2013! We are finishing up some last minute camps and wrapping up video productions for 2013. If you in Team YANTSU have not submitted your video clips for start-of-show to Nick Tay by December 15, 2013, you will be replaced by someone else. We are also still looking for fan advertisements from you guys by December 20, 2013 to be played during short breaks in the show. To learn more about what to do for fan advertisements, click this link and watch the video from Ganon136 on how to do it... <http://bit.ly/1cTI9zX>
